POLITICAL.

It is an established fact that the contest is on for the legislature and the candidates are Messrs. Robinson, Moore, J. Fred Brindle and R. W. Arnold, of this city. Mr. James E. Clement, of the county, is spoken of as a candidate, but it is said by those near to him that his business interests are such that he may not make the race. Such being the case it places all the candidates for the honor in Alexandria city. A battle royal is expected, as the three candidates mentioned have numerous friends who are working assiduously in their respective interests. In regard to the lieutenant-governorship, the candidates are Mr. James R. Oton, who has ably represented this city and county in the legislature for many years, and a citizen of which Alexandria may well feel proud—having filled every trust confided to him with honor and credit to himself and the city—against whom no word of reproach can be brought; a man who has worked in and out of season for the democratic party, never failing to lend his voice and money when occasion required it. The other is Mr. J. Taylor Ellison, of Richmond, who is now filling the position of lieutenant-governor and who has had many honors bestowed upon him by the democratic party. A conversation with a gentleman from Mr. Ellison's home town revealed the fact that Mr. Oton is strong even in Mr. Ellison's home city and if, as is expected, he is strong in that section of the state, he will lend the nomination. As stated above, Mr. Oton is an Alexandria, proud of his home town, and naturally the people of this section will delight to do him honor and, if, as stated by the Richmond politician, referred to above, it is a fact that Mr. Oton will make inroads on Mr. Ellison's strength in Richmond, the die is cast and James R. Oton will be the next lieutenant-governor. But Mr. Oton is not depending on other people, he is personally directing the campaign and will leave no stone unturned to gratify his ambition. He has stepped aside on other occasions to avoid contest between friends but he feels that the people of the state this time will award the honor to the Eighth district, and for this result he will make the fight of his life.

JOHN C. NELSON INDICTED.

In the Circuit Court for the county on Thursday Charles Lilly and Wm. G. Edmondson were sentenced to jail for thirty days each and to pay a fine of twenty dollars each for refusing to answer questions asked by the grand jury as to whether John C. Nelson was running policy in this county. Karl Kozor received a like sentence but later purged himself of contempt as stated in the Gazette of that day. Nelson was indicted for promoting policy and was released on \$200 bail. Margaret Nelson, wife of the defendant, appeared before the grand jury and voluntarily testified against her husband. The commonwealth's attorney informed the court that policy was being carried on in the county in open violation of law.

WAGE AGREEMENT REACHED.

Announcement was made in Spencer, N. C., yesterday, that an agreement has been reached between the officials of the Southern Railway Company at Washington and shop workmen concerning a wage scale on the Southern system. Under the new arrangement, which has been under consideration at Washington for several weeks, the employees are to have a nine-hour day, instead of a ten-hour day, at the scale heretofore in effect. Mechanics are to receive 32 cents per hour. Other crafts affected by the new scale include boiler-makers, blacksmiths, carmen, and pipemen.

ASH WEDNESDAY.

Wednesday, February 24th will be Ash Wednesday, the beginning of lent. Tuesday, 23rd, is the day generally known as Pan Cake day, the observance of which is a good old custom.

The Red Cross shoes for tender feet. The ladies who wear the Red Cross shoes always wear a smile. Sold only by J. A. Marshall & Bro., 422 King street.

THE ALEXANDRIA GERMAN CLUB.

The fifth dance of the season for 1908-09 was given last night at McBurney's Hall by the Alexandria German Club. One more dance, usually known as the Easter german, will be given by the club, after the Lenten season on the 16th of April. Last night Mr. B. Verly led with Miss B. Jones, assisted by Mr. Chas. Birrell. The costumes of the ladies dancing were extremely handsome and becoming and the floor not being too crowded made the german one of the most enjoyable given during the season. The patronesses were: Mrs. J. S. Day Douglas, Mrs. A. D. Brockett, Mrs. G. O. S. French and Miss Cora Cochran. Among the out-of-town guests were: Misses Jones, of Memphis; Wise, of Leesburg, and Enock, of Phoenixville, Pa., and Messrs. Basil B. Beller, Maryland; Jack Burrell, Georgia; Harry Brown, Washington; R. Belcher, Washington; Dr. O. U. S. N., Mr. Comstock, Wm. Camp, Lee O. Kerson, Geo. F. Ockrane, Wm. Law, C. Emert, J. D. Graythney, T. Sobrill, J. Prince, W. J. Thomas, all of Washington, and T. J. Hunter, Jr., of Georgia. Schroeder's Orchestra furnished the music. After the dance a special train conveyed the Washingtonians back to their city.

THE TWENTY-SECOND

Washington's birthday will be observed Monday in this city. The day will be a legal holiday and banks, courts and public offices will be closed. Commercial paper falling due Monday will be payable Tuesday. The postoffice will observe Sunday hours. Business otherwise will go on about as usual, although some of the stores will close after the morning hours. The schools closed yesterday evening and will not be reopened till Tuesday. The ladies of the D. A. R. will observe the day by holding services at Christ Church at 11 o'clock in the morning at which Bishop Tucker of the diocese of Southern Virginia will deliver an address. At night Alexandria-Washington Lodge of Masons will hold their annual banquet which will be served at the Young People's Building and at which S. A. Sklar, of Oklahoma, and J. Johnston, of Alabama, will deliver addresses. A delegation of members of the George Washington Birthday Association will visit Mount Vernon and place a wreath at the tomb of Washington.

"CIRCUMSTANTIAL EVIDENCE."

The closing day of the week finds the show at the Opera House just as popular as when it started last Monday. One could hardly witness the vaudeville furnished by the Bunuels without expressing their pleasure as to the merit of it. There was hardly a dry eye in the house last night as Bunuel pictured to his daughter his past life, his liberty having been sworn away by another, who, on his death bed, proclaimed him innocent of the crime for which he served 15 years in prison—his having been convicted on circumstantial evidence. This heart-rending melodrama, combined with the performance of the musical Wilcocks has gained a reputation for the Opera House management of which they may well feel proud. Tonight will be your last opportunity to see this magnificent production and if you want your money's worth you should see it.

CONSOLIDATION.

The Industrial Advocate, one of the oldest negro weekly newspapers in Virginia, was yesterday consolidated with the National Christian Record, of Washington, D. C. Both publications will be published at Washington, D. C., and this city and incorporated under the District of Columbia laws. Mayone L. Robinson, of this city, will be assistant editor and business manager. The District office is now located in the Lewis Building, Room 10, Louisiana avenue and Sixth street northwest. Rev. R. B. Robinson is the editor in chief of the two publications. The Alexandria office will remain in this city at 427 south Royal street.

CIVIC IMPROVEMENT LEAGUE.

A meeting of the committee on streets of the Civic Improvement League was held Thursday afternoon at the home of Mrs. Mary Ostrlin, the chairman, 416 Duke street. Having organized itself and having decided on the best way to proceed in their work, the committee transacted considerable business, with the help of the householders, whose hearty co-operation the committee hopes for, and without which nothing can be accomplished. The committee confidently expects that the streets of the town will be kept clean and slightly.

FUNERALS.

The funeral of the late John F. Morris took place this morning from St. Mary's Church and was attended by relatives and friends of the deceased. The services were conducted by Rev. Father Kelly, and the pallbearers were Messrs. Jos. Carr, H. Diederich, H. Wilkerson, G. Birrell, D. Hallett and D. Clark.

The funeral of the late Mrs. Annie M. Church took place from the residence, on Commerce street, this afternoon. The services were conducted by Rev. G. I. Humphreys.

STATE MILITIA.

Major O. L. Wright, assistant adjutant general of the Virginia militia, has been advised that Major J. S. Mulroy, U. S. A., has been designated by the War Department to conduct the annual inspection for the government of the Virginia militia. The inspection of the various commands throughout the State will begin early in March, Maj. Wright says, and the date will be announced later.

ACCIDENT ON THE MANASSAS DIVISION.

An east bound freight train on the Manassas Division of the Southern Railway collided with a west bound freight train near Gainesville at 4:30 o'clock this morning. Several cars were derailed and the pilots of the engines were smashed, but otherwise the damage to the equipment was slight.

The west bound train, in charge of Conductor J. T. Stover, Engineer J. T. Daniel and Fireman J. M. Burton, had stopped on the main track, and the east bound train, according to his statement, the red light refused to burn.

The east bound train, in charge of Conductor G. N. Hitts, Engineer B. Hitts and Fireman R. S. Grubbs, came along at this juncture and it being seen that a collision was inevitable, most of the crews of the two trains jumped.

Conductor Stover was bruised about the head; brakeman O. Wilson, of Strasburg, received similar injuries; Fireman J. M. Burton had his right shoulder injured; the right leg of R. S. Grubbs, of Strasburg, was injured. None of the above was seriously hurt.

The track was soon cleared when it was again begun to run as usual.

AN INTERESTING LECTURE.

One of the most interesting lectures ever delivered in Alexandria was that of Hon. Henry Allen Cooper, member of Congress from Wisconsin, on "The Trip of the Tait Paris to the Far East," in the Young People's Building last night. Mr. Cooper, chairman of the House committee on insular affairs, was a member of the party, which consisted of Secretary of War Taft, seven senators, twenty-four representatives in Congress and others. He gave a reminiscence account of the trip through Japan, the Philippine Islands and China. Primarily, the purpose of the trip was to study the eastern problems but it resulted, in three marriages, among them that of Hon. Nicholas Longworth and Miss Alice Roosevelt. The lecture was interesting, instructive, and patriotic. At the conclusion, Mr. Cooper paid his friend, William Jennings Bryan, a worthy compliment as being a man above the power of wealth to corrupt. Mr. Cooper is a fluent speaker, gifted in descriptive powers and with a fine sense of humor. He is a lawyer by profession educated, refined, and often all together a man of charming personality.

TAG DAY.

"Tag Day," "Tag Day" Beautiful, daffodil Tag Day. Reading, writing and arithmetic. Negatives are Tag Day tickets. The youngest who work in this tag day is up to us to have Tag Day. Monday is the day that has been set. This a reminder "Let us forget."

Everything bids fair for a glorious "Tag Day" Monday as every one in charge has been actively attending to duties. The ladies have been at work for the past two days and have met with generous responses to their wagon and store tags. Miss Mary Carlin who was chosen chairman for this part of the work has been actively conducting the same and the committee of "The Children's Play-ground Association" feel very fortunate in having secured her services. Those having already bought tags must attach them Monday or else they are apt to be tagged again, whereas they would feel as though they were playing tag and were caught soon enough. So "tag on you" all on Monday.

It is definitely a fact that the location of the play ground has not been determined.

APPRECIATIVE CROWD.

Notwithstanding the inclemency of the weather last night and the fact that a great many people were kept home—either for fear of catching cold or the fact that they did not have an umbrella—the Alexandria Amusement Company was well patronized and the pictures exhibited were above the standard. Saturday night is generally the "star" night at this popular amusement house and what will be shown tonight will tickle the fancies of the most fastidious. There are many who are only able to indulge in amusement on Saturday night and this house is cheerfully recommended for their patronage.

IMPOTUNATE CHILDREN.

Nearly all the children who attend the public schools of this city were engaged today in selling tags, the proceeds of which are to be devoted to arranging a play ground at the George Washington Park, adjoining this city on the west. Every person who appeared on the streets was importuned to purchase a tag, and the only way to escape being held up was to procure one of the badges and tie it in a button hole of your coat. Many resorted to this plan to escape further annoyance.

D. A. R.

All arrangements have been completed for the special patriotic service to be held at Christ Church, on Monday morning, February 22, at 11 o'clock. The service is under the auspices of Mt. Vernon Chapter Daughters of the American Revolution. St. Rev. Beverly D. Tucker, Bishop Coadjutor of Southern Virginia, who will make the principal address, is a most forcible speaker and the service promises to be one of much interest. Christ Church Chapter of Prayer will render music suitable to the occasion.

ACCIDENT TO A BRAKEMAN.

Acting Lieutenant Roberts of the police force at a late hour last night received a message from the Emergency Hospital in Washington stating that William M. Murphy, a railway brakeman, living at 1931 Duke street, in this city, had met with an accident, the nature of which was not stated. The acting lieutenant was requested to notify Mrs. Ida Murphy, his wife. It was subsequently learned that Mr. Murphy was struck by a shifting engine.

TO BE AWARDED TUESDAY.

As has been stated in the Gazette, the "George Washington" motor boat will be awarded to the winner on Tuesday night of next week by the Masonic fair committee at Armory Hall, between the hours of 7:30 and 8 p. m. As the hall is in charge of another enterprise the committee will be compelled to have the drawing at that time. The public is invited to be present on the occasion.

MEN'S MEETING.

Rev. Selwyn K. Cockrell, of Washington, will make the address at the men's meeting tomorrow afternoon at 3:30 o'clock. Subject—"The Law of Affinity." All men are cordially invited.
